Excerpt from Sturbridge General Bylaw 2013

2.03 TENTS

The following sections (2.04-2.99) are meant to regulate the commercial use of tents only.

2.04 Tents authorized by a tent permit issued by the Building Inspector may be erected for a period of no longer than 14 days, with one 14 day extension period.

2.05 An application for a tent permit must be made to the Building Inspector. The party erecting the tent must provide proof of permission from the property owner to erect the tent.

2.06 The fee for a tent permit is \$30.00.

2.07 The Building Inspector shall confer with the Fire Chief, prior to issuing a tent permit, to ensure that the proposed tent conforms to the requirements of 527 CMR 19 of the State Fire Code, or any successor thereof.

2.08 All tents shall be erected in conformance with the setback and other requirements of all applicable Sturbridge Bylaws. Tents shall not occupy and/or hinder active parking or traffic circulation areas. (See chapter 19 of the Sturbridge Zoning Bylaws)

2.09 The Building Inspector shall inspect the installation of all tents to ensure the safety of occupants in and around the tent.
