CHAPTER 6 Regulations and Information

- Section 6.1: Projects on Slopes 8% or greater; Commission discussed scenarios regarding the 8% slope regulation, the final conclusion was to leave this section as it stands. The Commission may consider creating a new Performance Standard at a future date.
- Section 6.2: Tree Cutting; Made word change on bullet three.

CHAPTER 7 Application Requirements

- Section 7.1: Application Completion; The Commission discussed whether or not to add a requirement for proof that there are outstanding fines. Discussion about how fines are documented and collected now took place and discussed consequences of non-payment. Agent will pursue clarification of current policies and procedures.
- Section 7.1: Necessary and Supporting Information for an Application; Added wording to bulleted item number 3 as well as changed wording to bulleted item number 6.

CHAPTER 8 Application Requirements

- Very minor changes made - (commas, bold face etc.).
