

# Earth Day Neighborhood Trash Pick Up the weekend of April 22-23, 2023

The Sturbridge Conservation office is again encouraging a town wide Earth Day Trash Clean Up event on Saturday, April 22nd and Sunday, April 23rd. This is a great opportunity for neighborhoods, school groups, individuals and volunteer organizations to take advantage of this excellent community activity.

To get involved, stop into the Center Office Building or the Town Barn Tuesday April 18th through Friday April 21st. (During business hours) to pick up heavy-duty trash bags available for use in the cleanup. Volunteers will be asked to contact the DPW via email [DPW@sturbridge.gov](mailto:DPW@sturbridge.gov) or call (508) 347-2515 and leave a voicemail with the location for bag pickup and number of bags in advance of the Monday pickup. Pickup will take place Monday April 24, 2023.
