

Discover Sturbridge Hike & Seek encourages exploration of our Conservation Properties through a scavenger Hunt format. It allows participants to use technology in a simple, positive way to learn about nature and encourage observations and sharing of discoveries.

Included in this activity are multiple targets to find along the Trail. Targets will be released Friday February 12, 2021

## GET READY...

Did you know the Heins Farm Trails are home to the last intact remains of the Old Worcester-Stafford Turnpike, or that Leadmine Mountain Conservation Area was once a Summer Camp known as Camp Robinson Crusoe?
