Dear Mr. Chamberland,

Upon receipt of your letter, I called you at 508-347-3386. A young lady answered and I told her I was calling from Fla. and that it would not be possible to go North for the Dec. 5th anniversary events honoring my brother.

Talked with my cousin Roland Jelison and he has agreed to represent me at the events listed in your letter.

Also, I have called my sister in Tex. & she has agreed to send Roland my brother's medals which I sent her after my mother died.

If there is anything else I can do to aid you, please do not hesitate to let me know. My sincere appreciation for all you & the Veterans have done to honor my brother.

Sincerely,
Gloria Coley

Dear Members of the:
Monument Committee
Veterans Council & Others.

We want to congratulate
you on the lovely Memorial
Monument in honor of
Veterans of Sturbridge,
dedicated on May 24, 1986.

It is beautiful and with
the Flag and the lights at
night - it cannot be
described in words - one has
to see it.

It is one that "Our Town of
Sturbridge" can be proud of.

Everything at the dedication
was perfect and we appreciated
that Chester could be a part of
the dedication.

Know that a lot of planning
& work was put into it.

Thanks Again,

Sincerely,

Irma + Chester L. Krueger
