

Whether you are a transitioning service member, a US Military veteran, or a military spouse, RecruitMilitary is here to support you on your journey to career attainment and professional development. We offer a wide array of events, tools, and services to ensure you have access to opportunities wherever you may reside. By working with thousands of local and national organizations, we are able to present a diverse collection of career options that cover almost any industry you can think of. We welcome you to join the more than 1 million military member community at RecruitMilitary as you pursue professional development.

We understand your experience, because it was our own experience at one point. RecruitMilitary is veteran operated. We have been serving and supporting our military community for 20 years.

In the 13 years that we have produced military hiring expos, we have held over 1,300 events, and connected more than 730,000 military men and women with over 53,000 exhibitors.

We are working with thousands of employers, (to include a majority of the Fortune 500) in order to bring you the opportunity that you deserve. *You will find these opportunities through these mechanisms:*
