## Compensation

### Burial Benefits

Effective July 7, 2014: VA is changing its monetary burial benefits regulations to simplify the program and pay eligible survivors more quickly and efficiently. These regulations will authorize VA to pay, without a written application, most eligible surviving spouses basic monetary burial benefits at the maximum amount authorized in law through automated systems rather than reimbursing them for actual costs incurred.

- Under the current regulations, VA pays for burial and funeral expenses on a reimbursement basis, which requires survivors to submit receipts for relatively small one-time payments that VA generally pays at the maximum amount permitted by law.
- The new burial regulations will permit VA to pay, at a flat rate, burial and plot or interment allowances thereby enabling VA to automate payment of burial benefits to most eligible surviving spouses and more efficiently process other burial benefit claims.
- The burial allowance for a non-service-connected death is \$300, and \$2,000 for a death connected to military service.

### Benefit

#### Service-related Death

VA will pay up to \$2,000 toward burial expenses for deaths on or after September 11, 2001, or up to \$1,500 for deaths prior to September 11, 2001. If the Veteran is buried in a VA national cemetery, some or all of the cost of transporting the deceased may be reimbursed.

#### Non-service-related Death

VA will pay up to \$780 toward burial and funeral expenses for deaths on or after October 1, 2018 (if hospitalized by VA at time of death), or \$300 toward burial and funeral expenses (if not hospitalized by VA at time of death), and a \$780 plot-interment allowance (if not buried in a national cemetery). For deaths on or after December 1, 2001, but before October 1, 2011, VA will pay up to \$300 toward burial and funeral expenses and a \$300 plot-interment allowance. For deaths on or after April 1, 1988 but before October 1, 2011, VA will pay \$300 toward burial and funeral expenses (for Veterans hospitalized by VA at the time of death).

An annual increase in burial and plot allowances for deaths occurring after October 1, 2011 began in fiscal year 2013 based on the Consumer Price Index for the preceding 12-month period.
