

August 2019

Dear Veterans Agent/Director

I am writing to you on behalf of the Massachusetts Vietnam Veterans Memorial (Memorial). Some of you may have visited this beautiful site located in Green Hill Park in Worcester. If you haven't it is well worth the trip.

I have enclosed our new brochure which I hope you will use as a reference to promote the State's Memorial.

It was dedicated in June 2002 and there has been an active group of Vietnam veterans involved to ensure the Memorial remains a destination for veterans and families to visit, reflect and honor the 1,547 men and 1 woman from Massachusetts who made the ultimate sacrifice during the Vietnam conflict.

The City of Worcester Parks Department works diligently to keep the Memorial's four acres in pristine condition. This is financially made possible by the annual funds received from the State. We are grateful to both.

Funds are still needed for the perpetual care of the Memorial. We sponsor events during the year to include approximately 25 school tours from students who visit from all over Massachusetts.

The brochure will give you details of the Memorial, has our website listed and how to make donations. Please keep us in mind when you get a request from a family asking for suggestions as to where they may donate in memory of a loved one. We are a 501c (3) and our tax ID number is listed below.

If you need more brochures please contact me at kr.greenwood@verizon.net.

We appreciate your support and help in getting the word out.

Thank you,

Karen Greenwood
