| application an Planner. The | uired Application Submittals: The applicant shall submit one original set and six copies of the d final drawings and one set of materials at the time the application is submitted to the Town following information must be submitted with the application for a sign permit for new signs and isting signs: (At its discretion, the DRC may substitute some requirements with a site visit). | |
| | A Site Plan showing property lines, setback areas, access points, traffic flow and a scaled site plan showing property lines, appropriate front, side, and rear yard setbacks as identified in the Zoning bylaw, pedestrian and vehicular access and existing buildings and significant site objects and features, and the existing and proposed sign locations shall also be shown. | |
| | A drawing of the proposed structure or sign, including color and type of surface materials, showing front elevations, rear elevations, and side elevations, where there are not adjoining buildings. The drawing should accurately convey the design of the sign including lettering styles, size, and composition. The location, font, and contrasting color of the street number shall be easily read by emergency personnel and patrons/visitors. | |
| | A description of the materials, colors, and lighting, (if the sign is to be lit), to be used in the modification of an existing sign or construction of a new sign. The presentation of photographs showing the existing signs to be modified would be helpful. Samples of the colors of the proposed sign and materials to be used for the construction of the signs and supports shall also be submitted. | |
| | Scale drawings of the proposed sign, (whether the modifications of an existing sign, or the provision of a new sign) shall be submitted, including a plan view and an architectural elevation of each side. One architectural elevation will suffice if all sides are identical. All drawings shall include dimensions indicating the length, width, and height of the proposed signage as appropriate to the information conveyed by plan or elevation. Applicants shall review the Town of Sturbridge Zoning Bylaw for detailed information on zoning limitations and requirements relative to their signage situation prior to designing any new proposed signs. The Bylaw may be accessed on line at the following link: http://www.town.sturbridge.ma.us/Public Documents/SturbridgeMA PlanningDocuments/Zoning%20Bylaw%202010?FCItemID=S02B54AC5 | |

| | quantity of each by location on plan; | aterials. Planting plan identifying the proposed plant mat an overall plant list, which at a minimum identifies total cal and common name for each plant, and size of the plan | |
|-------------------------------|--|--|---------|
| | Photographs of existing signage on decision and are required as a sub- | n the site and the building will aid the DRC in making omittal. | its |
