Project Narrative *Must be completed by applicant or agent*

Describe the proposed project in terms of use, design elements and construction timeframe.

See attachment*

6 month construction timeline

1 existing residential apartment, 4 artist studios

Classic colonial style, white-double four siding, white posts & rail, with grey decking, white windows (6 over 1 grids)

Explain how the design and layout of the development or use constitutes suitable development without detriment to the neighborhood or to the environment.

The design elements fit the colonial aesthetic of Sturbridge, while also taking a severely distressed property, and renovating the property to its max potential. With long term effects of Covid 19, and new technology to push the work/home future, this project will help Sturbridge adapt to the coming a standard.

Describe any special processes, mitigation measures or unique circumstances which may have a bearing on project approval

The existing gravel parking lot will stay for the duration of the construction phase. Parking lines will be delineated with pavers. The paving of the property will be addressed at a later date, and will conform to the environmental standards. Please see attachment.
